Defendants.)	

Plaintiff Fasteners for Retail, Inc.'s ("FFR") Motion For Permanent Injunction having been fully briefed, Defendants Ningbo Liuhe Plastics Co. Ltd. and Ningbo Zhenhai Liuhe Plastics Co. ("Ningbo") having received notice of the motion, the Court having considered FFR's Verified Complaint and all exhibits thereto, the Declaration of Paul A. Mueller, FFR's Memorandum of Law in support of its motion for permanent injunction, the Court having previously granted a Temporary Restraining Order on a \$500 bond and a preliminary injunction, and the Court being fully advised in the premises, finds as follows:

A. FFR has shown a likelihood of success on the merits of its claims against Ningbo for patent infringement, copyright infringement, trademark infringement, and misappropriation of trade secrets. Furthermore, because

Defendants have failed to answer the Complaint or otherwise respond, and the Clerk having entered their default, the Court deems the allegations of the Complaint concerning infringement to have been established and proven.

B. FFR will suffer irreparable damage and has no adequate remedy at law if a permanent injunction does not issue, because money damages cannot compensate FFR for the damages it would suffer if an injunction is not issued.

C. The balance of equities favors entering a permanent injunction against Ningbo, in that greater injury would be inflicted upon FFR by the denial of the preliminary injunction than would be experienced by Ningbo if such relief is granted.

D. Entering a permanent injunction against Ningbo is in the public interest.

IT IS HEREBY ORDERED THAT:

1. FFR's Motion For Permanent Injunction is granted.
2. Ningbo, and its officers, agents, employees, and all those persons in active concert or participation with them and with actual notice of this Permanent Injunction, are enjoined from:
